Students learn the practical application of the 2009 editions of the NFPA 101 Life Safety Code in seven hours of instruction. The course focuses on fire alarm and access control requirements for most common occupancy classes that students will encounter on a daily basis, offering insights on common errors and areas of confusion. The course concludes with a one-hour examination. (0.8 CEUs)

**SUBJECT AREAS:**

- Fire alarm systems • Egress control • Assembly occupancies • Educational occupancies • Daycare occupancies
- Residential occupancies • Institutional occupancies • Other occupancies
