

2015 ESA Youth Scholarship Program Applicant Information

HISTORY OF THE PROGRAM

ESA Youth Scholarship Program

In 1996, the Electronic Security Association (ESA) launched the Youth Scholarship Program to promote goodwill among the electronic systems industry and police and fire officers by providing college scholarship awards to their deserving sons or daughters.

ESA, a non-profit 501(c) 6 trade association, is the nation's oldest and largest organization dedicated to representing, promoting, and supporting the electronic life safety, security and systems industry. Member companies specialize in a wide spectrum of services to commercial and residential customers, including security and fire alarms, video surveillance, access control and monitoring. In cooperation with a federation of state associations, ESA provides government advocacy and delivers timely information, professional development tools, products and services that members use to grow and prosper their businesses. ESA may be reached at 888.447.1689 or on the Web at www.ESAweb.org.

Celebrating its 19th year, the Youth Scholarship Program has provided thousands of dollars to students attending higher education institutions across our country. In fact, more than \$457,000 has been awarded through the Youth Scholarship Program.

Today, ESA and 18 participating Chartered Chapter Associations are involved in the scholarship program. The first place winner of each state's program is automatically considered for the national ESA Youth Scholarship Program awards. **Students who reside in a participating state must enter their state-level scholarship program to be considered for national awards.** Students who reside in a state without an ESA chapter or in a non-participating state should submit their applications directly to ESA. ESA will select one of these students as the national nominee to compete with the state winners. This student will be awarded a \$1,000 scholarship. (See page 3 of this application for a list of participating states.)

The Wisconsin Electronic Security Association (WIESA) awards two \$1,500 scholarships. One scholarship is awarded to the son/daughter of an active member of a Wisconsin fire department and one to the son/daughter of an active member of a Wisconsin police department. Winners of WIESA scholarships will be contacted after April 11, 2014, and will also be informed if their entry was chosen to be submitted for a national ESA Youth Scholarship award. The first place national winner receives \$7,500 and the second place receives \$2,500 to put toward their college education.

WIESA application deadline is:
