COME. EAT. SOCIALIZE.

Hibachi - Dinner and a Show in One!

Hibachi is the cooking of meat, vegetable and seafood dishes on a high-heat, metal cooking plate. Under the cooking plate is a wooden or ceramic container filled with burning charcoal or wood. Hibachi chefs are entertainers and culinary arts experts that wow dinner guests with seemingly impossible coordination, skill, and sometimes humor.
Up to 20 people per table with room to walk around and talk to others.
