JEFF CARLSON

The Wisconsin Electronic Security Associa-
 tion lost an important member last year --
 Jeff Carlson of Cassidy Technologies. Most of
 you probably know him through our golf
 outing. He was a HUGE annual contributor to
 the success of our WIESA golf tournament.
 He took on the thankless tasks -- raising
 money; getting sponsors and contributors;
 organizing volunteers; and handling many of
 the microphone duties.

We miss his presence. We miss his energy.
 We miss the commitment he brought to the
 tourney and to our industry in general.

Jeff also consistently stepped up for WIESA
 in multiple volunteer roles. Thank you, Jeff,
 we miss your helpful nature, the goofiness
 and quirks you brought to our events. You
 made them fun. You made us laugh. Things
 got done well and on time because of
 you. We'll miss you for that.

Our industry and association thrive
 because of people like Jeff. We need
 more like him. Rest in peace, Jeff Carl-
 son.
